

HIGHLAND OAKS MIDDLE SCHOOL PTSA

HOMPTSA@GMAIL.COM WWW.HOMPTSA.ORG

This year the PTSA will continue to work towards increasing access to technology-based learning for our students through fund raising and our **Technology Tree**.

One of our main goals for this school year is to increase the number of computers/technological devices at Highland Oaks Middle School. We want our classrooms to be equipped with all of the coolest and latest gadgets for our children and teachers. Whether it be one for each classroom or a class set, by incorporating additional technology, our children will certainly benefit.

Working under the guidance of the art teacher, Mrs. Weiss, the art students have designed and have painted **The Technology Tree**. The Tree is located in the hallway outside the main office of Highland Oaks Middle School. We are selling plaques, which will be mounted within the leaves painted on the wall. The leaves can be in your honor, your children's honor, an HOM staff member, or perhaps your place of business. The leaves are different sizes, small, medium and large, and will cost \$30, \$60, and \$90 respectively. These donations will be recognized with a leaf on the tree. However, any amount would be helpful and appreciated. All contributions to the PTSA are tax-deductible, and a receipt will be given for your donation.

Please take this opportunity to leave a lasting contribution to Highland Oaks Middle School and to the students who will continue to grow and flourish here.

For more information, please contact HOMPTSA@gmail.com or you may return this form with your donation. Checks made payable to HOM PTSA.
