

Highland Oaks Middle School

Winter Packet 2017

Grade 8

For the 8th grade students, here is the winter packet information to be completed by Monday, January 8, 2018 worth two grades in reading, language arts, and mathematics. Other subject areas may give extra credit if these assignments are completed:

Reading/Language Arts: Please complete i-Ready Reading Assignments as follows:

- Students who are at grade level: 90 minutes total (45 minutes per week)
- Students who are one grade below: 120 minutes total (60 minutes per week)
- Students who are two or more grades below: 150 minutes total (75 minutes per week)

*****To get an "A" you must pass with a 70% or higher with the total amount of minutes completed (time on task)**

Mathematics: Please complete i-Ready Mathematics Assignments as follows:

- Students who are at grade level: 90 minutes total (45 minutes per week)
- Students who are one grade below: 120 minutes total (60 minutes per week)
- Students who are two or more grades below: 150 minutes total (75 minutes per week)

*****To get an "A" you must pass with a 70% or higher with the total amount of minutes completed (time on task).**

*****Students must complete the attached 8th grade science packet which will be due to their Science teacher 01/08/18**

*****Students who take Honors Physical Science will also be required to complete the 8th grade Science assignment.**

*****Students who take Algebra with Ms. Monroe will be given their Edgenuity Algebra assignment on Friday 12/15/17 based on their mid-year assessment data.**

*****Students who take Biology, Algebra, or Geometry will have an assignment issued by their respective teachers to complete by 01/08/18.**
