

Beginning today through July 31st, all ELL students in grades 3 - Algebra 1 will have access to Imagine Math and will work on grade level or Algebra 1 pathways.

Imagine Math 3+ builds problem-solving skills and conceptual understanding with support from an online, live, certified, bilingual teacher as well as:

- Personalized learning driven by the Quantile® Framework
- First language support for English learners
- Scaffolded instruction for all learners
- On-demand instruction by live, certified, math teachers
- Motivational system that develops confident thinkers
- Development of college- and career-readiness skills

Live, Certified, Bilingual Teachers and Language Support

In Imagine Math, the **bilingual live teacher support** and **live chat support** are currently offered in **English and Spanish**. Throughout student lessons, the directions and problems are written in English, but students can have the problems and answers read to them in English and Spanish. Additionally, all vocabulary words are hyperlinked to the **glossary**, which has audio support in **English, Spanish, Vietnamese, Haitian-Creole, Tagalog, and Arabic**
