### PHYSICAL EDUCATION

Physical education is a requirement in 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade. This requirement may be waived only if a student is enrolled in a remedial course or if the student’s parent requests in writing that the student is to be enrolled in another elective for the upcoming year. It must be stated that the student is participating in physical activities outside the school equal to or in excess of the mandated requirement. **This written request MUST be submitted at the same time the course selection sheet is returned and is only valid for the upcoming school year and it will not be accepted at a later time.** At Highland Oaks Middle School, physical education is an annual course.

**ACADEMIES:** Please select four (4) choices from the elective classes listed on the reverse side of this form. Write them down in your order of preference. Your elective choices may be affected by your TEST results. **All student courses are contingent on student enrollment and teacher availability.**
