The purpose of this briefing is to provide information about the 2020 myON Summer Reading Challenge for students in grades PreK through 8.

To avoid the summer slide, students are encouraged to read throughout the summer break. It is recommended that all students who were enrolled in grades PreK through 8 during the 2019-2020 school year participate in the *2020 myON Summer Reading Challenge* to continue to promote the development of critical reading skills and instill a love for reading.
